

Student User Manual

Chapter 10: User Manual (Student)

1. Logging In: Open the web browser to the provided URL. Enter your auto-generated Roll Number and Password provided by administration.
2. Dashboard: View your upcoming assignments and announcements.
3. Chatbot Interface: Click on "Ask AI Assistant" to open the chat window. Type questions about academics or college rules. The AI will instantly search college documents and reply.
4. Study Materials: Click the "Materials" tab to download raw PDFs uploaded by your professors.
5. Timetable: Click "Timetable" to see your weekly class schedule.
